Payment with voucher

New customers that wish to use vouchers as a means of payment need to send a voucher sample to the Economy Museum for reference before the first visit with a voucher.

For a voucher to be valid, it needs to contain the following information:

- The museum's name (Economy Museum)
- Company name and a name on a reference
- Date of visit
- Number of visitors
- Type of service, for example admission fee
- Company registration number
- SWIFT, VAT and IBAN Number from companies abroad.
- Invoice address
- Contact telephone number
- E-mail

Please send the voucher sample with this information to:

besoksservice@ekonomiskamuseet.se

Should changes be made at short notice, for example to the number of visitors in the group, these needs to be made directly in the original voucher and signed by the group leader. Economy Museum, Narvavägen 13-17, Stockholm

On arrival at the museum

A printed voucher is to be presented at the ticket office by the information desk with the correct number of visitors in the group.

Terms of payment

Invoicing occurs after a completed visit, to ensure that the correct number of visitors will be charged. The Economy Museum does not have the possibility to attach original vouchers or include copies of vouchers with the invoice.
